Thought of the Day

Friends ask you why you are crying. Best friends already have a shovel ready to bury the SOB who made you cry.

LIKE WHAT YOU SEE

On the calendar of events you see here ?

This is CEDAPP's dance card for the year, and it doesn't even include things like the abusive ADA compliance meetings we provided. What you see here are only the community FUN events.

Do some of the returning events sound like fun to you? How about some of the new ones, like SPUDS AND SUDS? Some are patriotic, like PATRIOTS PARTY IN THE PINES. And of course, a favorite, the SUMMER CONCERTS IN THE PLAZA. Sound like fun?

There are two things you should know about these events. **First:** They can only be put on if the sponsoring group (that would be CEDAPP) has liability insurance. That insurance costs a lot.

Second: CEDAPP does have memberships available, at \$15.00 per person. The policies CEDAPP has are purchased through CEDAPP's membership in CAN, the California Association of Nonprofits. For a mere \$15.00 you can keep this going.
